

**Do you know  
the birds  
around here?**

**Want to know  
more about the  
plants that  
grow in the  
Florida Keys?**

**Come join us for some outdoor fun!**

Everyone is invited to join a guided refuge trail walk for birders and outdoor enthusiasts of all ages and skill levels. The centralized meeting point for all walks will be at the National Key Deer Refuge Visitor's Center, located in the Winn Dixie shopping plaza. From there, participants will caravan to the scheduled trail site. Maps will be provided at the Visitor Center.

A prompt departure to the alternating trail locations will take place at 8:05 am to avoid missing out on morning bird activity, so please plan to arrive early. Each walk will end by 11:00 am, or whenever bird activity drops for the mid-day heat.

Participants should bring a hat, sunscreen, bug spray, comfortable walking shoes, water, binoculars or spotting scope, field guides, and dress appropriately for the weather. A limited supply of loaner field guides and binoculars will be available for participants during each walk. Feel free to ask for one if you don't have your own. Call the Visitor Center at 305-872-0774 for more information.

**Spring Dates:**

**January 28 - Watson Trail**

**February 11 - Ohio Key**

**March 25 - Refuge Trail at the north end of Key Deer Blvd.**
